

THE HOUSEWARMING

IT'S REALLY TRUE: 19 months after i bought it, the dutty syringes and mattresses are gone, my genius dad & his crew have created a work of art, and masia and i have officially moved in.

bring your positive vibes and help warm the house with a real live jam. come ready to get hype: this will be the very first party at the spot and we haff' do it up right.

the house must get

HOT

AN NPC/FAT ONION PRODUCTION

saturday december 1, 10PM

97 caroline avenue (2 blocks east of pape avenue off the south side of queen street east)

design: sandwich creative

1. **sweet touch foundation** (dj riccachet & dj therap) will be on the wheels of steel to make the housewarming **hotter**. 2. bring your own bottles — yeah, i said it: **bottles**.

i know my peoples. don't front like you won't drink more than one.

3. **about your feet:**

4. i won't make you walk around in your socks but no heels, please — the floors are too pretty to get mash up so soon. one final note: let's try to keep the **toilets in one piece**. word.
